How we treat
Information You
give to us

(Our Privacy
Statement)

Boshers is committed to protecting your privacy. We act as your agent in obtaining quotations and will treat all your personal information as private and confidential to us and anyone else involved in the normal course of arranging and administering your insurance. We will collect data, which will include personal information and risk details required to effect the policy, solely for the purpose of obtaining and providing insurance quotations, arranging and administering your insurance. Provision of data to us is under a contractual requirement and we will be unable to offer any quotation for insurance if you refuse to provide certain personal data, including health, financial and criminal records data where these would affect the provision of cover and/or performance of insurance contracts. If you have given your consent, we may use the information to keep you informed of other services or products we think may be of interest, including a monthly email newsletter from which you can unsubscribe.

Your information will be shared with insurers, which could include reputable providers in other countries, to enable them to provide accurate terms and they will also obtain data about you and your insurance history from various insurance anti-fraud databases, such as the Claims and Underwriting Exchange (CLUE) as well as publicly available websites and credit referencing agencies. We will not give anyone else any personal information except on your instructions or authority, or where we are required to do so by law, or by virtue of our regulatory requirements. Information about you and your insurances will be held while you are a client and for six years after expiry of your policies. Under the Data Protection Act 1998 all data subjects have the right to see personal information about them that we hold. Please write to our data protection officer at our usual office address.

We are an independent insurance intermediary, who acts on our customers' behalf in arranging insurance. Our services include: advising you on your insurance needs; arranging your insurance cover with insurers to meet your requirements; and helping you with any ongoing changes you have to make. As part of our service, We will assist You with any claim You need to make and tell You what Your responsibilities are in relation to making claims.

Our Service and obligations
to you

We will conduct a fact-find to evaluate Your insurance needs with You or the member of Your business that You choose to nominate as Your Insurance Contact, who will be responsible for ensuring that Your disclosure obligations to insurers are met.

We will act as Your agent in sourcing a policy to meet Your demands and needs and presenting the information provided by You or Your nominated Insurance Contact in a manner which is clear and accessible to insurers. Where we operate under any delegated authority from insurers we will act as their agent when issuing cover, and We will always advise You where this is the case.

We will advise and make a recommendation for You after We have assessed Your demands and needs. Our advice will be confirmed in a demands & needs and suitability statement, giving the reasons for Our recommendation. In respect of Legal Expenses policies we may offer, you will not receive advice or a recommendation from us and you will then need to make your own choice about how to proceed.

We typically offer advice from a limited number of insurers, which means that We will have compared products from a panel of insurance providers in terms of cover, price, quality of service and other relevant features in order to select appropriate policies for You. However, under certain circumstances We may only deal with a single insurer or We may use another, specialist, intermediary to access the insurance product that most suits Your needs. We will always inform You where this is the case.

We usually receive a commission from the insurer with whom We place Your business and, in addition, We will normally make the charges as shown in our Terms of Business Agreement to administer your policy. Prior to the conclusion of each insurance contract, or upon renewal, We will remind You of Your right to be advised of the level of commission which We receive from underwriters. You are entitled, at any time, to request information regarding any commission which We may have received as a result of placing your insurance business.

Claims:

All incidents which could lead to a claim must be reported as soon as practicable. Your insurer's claims contact number is shown in your policy.

Sums Insured and Indemnity Limits

You will be responsible for ensuring that all sums insured and indemnity limits are adequate for the cover requested. We will advise You of the basis of calculation for sums insured and will, on request, give You details of external experts, such as surveyors and valuers, which You may wish to consult. The following information on calculating business interruption sums insured is given for guidance, but you should always seek specific advice from us if you are in any doubt as to what should be included.

Business Interruption / Loss of Profits Insurance

Several types of cover exist; Gross Profit basis (usual for manufacturers, retailers etc); Gross Revenue basis (normally for consultants, professions); and Increased cost of working basis, for businesses that believe there would be no loss of profit or revenue in the event of a claim, but would need to cover increased trading costs until the claim is settled.

'Accounting Gross Profit' and 'Insurance Gross Profit' are not the same thing.

Where your policy includes this cover, the Sum Insured for 'Gross Profit' should normally be calculated using the following method:

Annual turnover plus year-end stock and work in progress; less opening stock (and work in progress) and purchases, bad debts and uninsured variable expenses (such as the purchase of raw materials or shipping costs)

Gross Revenue insures the total turnover without deductions and Increased Cost of Working is based on projected additional costs of temporary relocation and other forecast additional costs.

Business interruption sums insured should then be adjusted to take into account the indemnity period (eg. doubled for 2 years indemnity period)

Average

In the event of under-insurance, Insurers may reduce the amount of any claim settlement in the same proportion as the sum insured bears to the total value of the insured items.

Information on Payment Options and How we will treat Payments You make to Us

We normally accept payment by cheque or the following credit/debit cards – Visa, Mastercard. You may be able to spread your payments through insurers' instalment schemes or a credit scheme, which we have arranged with an established insurance premium finance provider, however rates and acceptance may be subject to a credit check. We will give you full information about your payment options and the appropriate finance agreement when we discuss your insurance in detail. Under the terms of our agreements with the Insurance companies with whom we place business, we collect premiums you pay to us as Agent of the Insurer in an Insurers Trust Account for the benefit of those insurers. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance.

Our Fees and Charges for providing Our Services to You

Arranging new policies	£ 20
Mid term adjustments /cancellations	£ 20

The Financial Services Compensation Scheme (FSCS) We are covered by the Financial Services Compensation Scheme (FSCS). Insurance advising and arranging is covered for 90% of the claim, without an upper limit. Further information about compensation scheme arrangements is available from the FSCS.

Premium Finance
Facilities and
Service

We are authorised as Credit Brokers and may use insurance and finance providers who will conduct a credit check, which will be recorded on your credit record. **Please contact us if you do NOT consent to a credit check being undertaken**, however this may affect our ability to offer instalment facilities to you. In relation to the provision of credit, we offer only the facilities provided by Insurers, or those of Close Brothers Premium Finance from whom we may receive a commission. We will not offer you any advice on premium finance facilities available through us and you will need to decide yourself on the suitability of any credit agreement offered.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it and your credit rating may be affected. In entering into a credit agreement to pay your insurance premium, you give the finance provider the legal Right to cancel your insurance policy on your behalf in the event that you default on the loan, and offset any refunded premium against the outstanding amount owed to them. This means that if you default on your payment terms and the finance provider requests that we cancel your policy, we will do so as your agent.
